CHEESE

selection of cheese, lavosh, frozen grapes

mossvale blue, south gippsland vic

velvety soft and mild white mould develops an earthy rind as it matures. after two months of ripening the buttery yellow colour develops light shades of green blue mould and finishes with a creamy salty flavour

shaw river, annie baxter, yambuck vic

tangy flavour typical of buffalo milk cheese accentuated by balanced salt, aged for twelve months and develops a rich creamy texture and a light natural rind

le conquerant camembert, normandy france

strong aromatic hits of wet straw, brassica and apples.
deliciously soft and fudgy.

\$18 *mgf*
